

## OUR THREE DAYS IN ENGLISH

Last Monday, at half past nine, we took a bus to go to Güéjar Sierra, in Granada. We spent three days in a hotel because Mr Fajardo prepared the trip in June.

In Güéjar Sierra we did lots of activities practising English. Our instructors were very nice and they spoke in English very well!! I felt affection for all of them because they were so lovely.

When I arrived home on Wednesday evening I felt a little sad because I was very happy with my schoolmates and the instructors.

I would be so glad if we went again. I wish we could go to London soon!!
